Cost: \$10. Proceeds will go towards the trip to Iowa. MUST PAY ONLINE

All wrestlers must have a USA card to wrestle in Iowa. You can get your USA card at www.usawmembership.com

Contacts/questions: Justin DeCoteau at decota76@hotmail.com (701-391-2537) or Matt Pazdernik (701-391-5534).

PLEASE NOTE: Because the qualifier is being held to select a team we ask that you do not attend the qualifier if you cannot go to the USA Womens duals in April. If you wrestle in the qualifier and win, the organizers expect you to represent ND at this event in April.

Additional information for the Womens Duals:

The cost for each individual to attend the Womens Duals is \$300, which includes transportation by bus from Bismarck, 2 nights hotel in Iowa, team entry fees, team gear package (includes Singlet). You will be responsible for your meals except for the Friday evening meal.

Please note that we are trying to make this as affordable as possible and have come up with another option for you to pay for your portion of the trip. You can either pay \$300 to go on the trip, or you can sell 30 Raffle tickets and have USAWND take care of the \$300 portion for you. There is not an obligation to sell raffle tickets this year, but we would encourage it. If you choose the Raffle Ticket route, you will need to write a check out for \$300 for the Raffle tickets and then when you sell them, you can keep the cash.

Information will be handed out to the top winner from each weight class providing additional instructions such as: practice in Bismarck Thursday evening, what time we leave Bismarck Friday, what time we get back to Bismarck Sunday, contact information, etc. We will need a check for the full amount (\$300) before you leave the qualifier on Friday.

We will have room for a few extra riders on the bus at \$50 each on a first come first serve basis.

We have booked extra hotel rooms for any parents that want to attend with their wrestler. If you do attend it's expected that your wrestler will stay with you in your room, so if this is NOT true you need to tell us. You will need to be ready to specify if you need a motel room at the qualifier since we need to book them that week.

In the past a booklet was made with team member bios for parents and coaches. The cost of the book is not covered by our budgeted money for the trip. If anyone would like to take this task on this year we are looking for a volunteer to create the book and find donations to have the book created. If you're interested please let us know ASAP.
